Course Title: Industrial Social Psychology

Total Marks: 20

Name, Branch, Reg.No:

INSTRUCTION: Handwritten document of the answer script to be scanned and uploaded in PDF format

Answer any one the following

1. Assume that one of your colleagues is undergoing stress issues because of some personal reasons. You can see myriads of negative changes in their behavior, which is also reflected in their professional life. Given the situation, how would you support that person to overcome stress? Substantiate your answer with suitable definition, nuances, behavioral changes, etc.,
2. Expound Hawthorne Effect and illustrate the same with real-life situations.

All the Best
